## WHAT DREAMS ARE MADE OF

What if there was a place where fireflies lit up the trees at dusk, where adventures could be found around every corner and big secrets could be shared while exploring a giant hedge maze?

The things dreams are made of are reality at Storey Lake.

Here, every detail has been considered, every idea has been explored to design a community that feels like home and encourages quality time with family and friends. This is a place where you can fish off a giant floating dock in a beautiful lakeside park or set up the perfect picnic next to the butterfly gardens and nature trails. A spacious resort-style Private Club is the ideal place to play and for neighbors to become friends.

## A 3D architectural rendering of a modern two-story house. The house features a dark blue upper level and a light grey lower level, separated by a white vertical stripe. The garage is finished with a stone texture and has a dark brown door. The front entrance has a glass door with a small porch. The house is surrounded by lush green landscaping, including palm trees and shrubs, under a bright blue sky with scattered clouds.
